THE SHUTTLEBUS IS HERE!!!!

Gallaudet commuters take heart, the Transportation department's new shuttlebus has finally arrived on campus. This new service began on February 26 and will be making a total of three stops at Union Station each morning at 7:00 a.m., 7:42 a.m. and 8:24 a.m. Each afternoon it will make stops at Union Station at 4:25 p.m., 5:00 p.m. and 5:35 p.m. In addition to the Union Station stops each morning and afternoon, there will be four stops on campus.

Between 9:00 a.m. and 4:00 p.m. the shuttlebus will make a roundtrip of the campus twice each hour with a total of seven stops each thirty minutes.

The shuttlebus project is a new idea for Gallaudet. Therefore, since there is no past experience to draw upon, problems may crop up in the operations. In order to solve future problems, we may have to change the schedule slightly. As these changes are made the campus will be notified promptly. If you have not received a copy of the shuttlebus schedule contact the Purchasing Office at ext. 725.

ENERGY TIPS FROM JIM HULL

"Energy savings can be achieved at Gallaudet or in your own home by using one very good device. This device costs nothing, needs periodic exercising, and is the oldest device known to man. Its response is instantaneous about 99% of the time, may not always be correct but it is always there when needed. It is located about 9 inches above your shoulders."

ON THE GREEN is published each week by the Office of Alumni and Public Relations for the faculty and staff of Gallaudet College.
